

How can I help care?

Rothiemurchus is much more than an area of outstanding beauty and significance; it is a dynamic place where people live, work and play in harmony with the natural environment.

By becoming a Friend or an Explorer, you can be part of this special place and help future generations experience the same pleasure.

You will be happy to know that when you use your membership to: enjoy Loch an Eilein, have fun on our Activities, visit the restaurant café or buy Rothiemurchus Farm Shop produce and other purchases, you make it possible to employ Rothiemurchus Countryside Rangers, help to look after the path network and traditional buildings, as well as giving information and improving the biodiversity of the Forest.

Thank you

*Johnnie Grant of Rothiemurchus
16th Laird*
